DEPARTMENT RADFORD PARKS AND RECREATION

GIRLS JUNIOR LEAGUE BASKETBALL RULES AND REGULATIONS

1. The league will be for players who have reached their 11th, but not 14th birthday by January 1, 2017 and not in the 8th grade.
2. Coaches must stay in coaches' box during games.
3. Games will consist of four quarters of six minutes each with the clock stopping as in regulation play.
4. Each team will be granted 2 time-outs per half and 1 for overtime. Time-outs may not be carried over.
5. Five personal fouls will disqualify a player from regulation play.
6. OVERTIME: There will be 1, 3-minute overtime. For the last minute, if the teams are within 4 points, teams may full-court press. If the game is still tied after overtime, a sudden death period will be played and the first team to score by a field goal or on a free throw will be the winner.
7. The alternate jump ball rule will be in effect with a jump ball starting the game, overtime, and sudden death period.
8. After a player has scored their 20th point during regulation play, they must be removed from the game and may not re-enter during regulation play. They may re-enter during overtime and score 4 additional points. IT IS NOT THE RECREATION DEPARTMENT'S POLICY TO LET THE BETTER PLAYERS ATTEMPT TO "SCORE OUT" IN GAMES THAT ARE NOT CLOSE.
9. Foul shots will be shot from the free throw line. We will be using the new high school free throw lane assignment. There may be 4 defensive players on the line and 2 offensive players. If a defensive player does not occupy their spot, an offensive player may not take that spot. The 3-second lane violation rule will be assessed from the entire free throw line.
10. The junior size basketball will be used for girls and the regulation ball for boys.
11. Teams have the option to press the last 2 minutes of the game. A team that is ahead by 10 or more points cannot press, but the team behind can continue to press.
12. **Players must play at least 2 full minutes in each of the 4 quarters.** The clock will stop with two minutes in each quarter or as close to two minutes as possible and all players who have not played at least two full minutes in that quarter must enter the game. Once a player enters the game, he/she must remain in the game until their 2 minutes have expired. Scorekeepers will enforce this rule and keep track with player's time. All players who attend practice regularly must play at least two full minutes in each of the four quarters. Please notify the scorekeeper before the game if a player has missed the majority of practices and will not be playing.
13. The one-and-one bonus free throw is on the 7th team foul.
14. **SPORTSMANSHIP** in any program must remain a top priority for coaches, players, and spectators. Especially in youth programs, a coach's attitude and conduct will often be passed down to the players. All coaches are expected to maintain a positive approach to officials, opposing coaches, and players. If a coach disagrees with an official's call, they may discuss this with the official during a time-out. Never should any coach harass or argue with the officials. If a coach has a problem with an official, we will be glad to discuss this with the coach. Our officials are not professionals, but are trying to referee to the best of their ability.
15. **NO BASKETBALLS ARE ALLOWED IN THE GYM DURING ORGANIZED BASKETBALL PRACTICES AND GAMES.**
16. Neither teams nor spectators are allowed to dribble balls behind the bleachers during practices and/or games.
17. Only WATER will be allowed in the gym during games.
18. Absolutely NO jewelry will be allowed on players during organized league games.
19. **EVERYONE (PLAYERS, SPECTATORS, COACHES, ETC.) MUST CHECK IN AT THE FRONT DESK WHEN COMING TO PRACTICES AND/OR GAMES.** Members of the Radford Recreation Center should use their ID number when checking in.
